

Day One

It's a scenic 2.5 hour drive from Melbourne up to the beautiful alpine region of Victoria. Take lots of stops through quaint country towns with award winning bakeries and excellent vintage shopping. And stop for some excellent hiking in Kinglake. It's then on to the base of [Mount Buller](#) the ski town Mansfield, and your accommodation for the next 3 nights. We recommend getting a good night sleep as we have a big weekend ahead.

Day Two

Let the crisp mountain air refresh you with an early morning rise to meet the mountain shuttle who will take you up to Mt Buller Resort. There are so many activities to do in Mount Buller, we can help organise hire or lessons for snowboarding or skiing. Or spend the [day exploring](#) the village and throwing snowballs. The mountain shuttle will bring you back to Mansfield in the afternoon for an evening of much deserved rest.

Day Three

This morning for 9am you'll be picked up from your accommodation as your private chauffeur takes you through the King Valley wine region tasting the best of Victoria's regional wines. Your first stop is Powers lookout, then stopping at 4 wineries with tastings included, but lunch is at your own cost and we'll send you a list of lunch stops for you to choose from. You'll arrive back to your hotel at about 5pm.

Day Four

On route back to Melbourne we recommend stopping via our favourite national parks for a morning hike and a visit to Victoria's tallest waterfall.
